SCOUT SUNDAY
FEBRUARY 6th**

Please join us this
coming Sunday.

From the Minister.....

I always enjoy seeing other members of the church when I am out of the house and away from the office. Occasionally I will see a church member at the hardware store. No matter how well I know the person it always seems to take them a second or two to place me. I guess folks don't expect to see their minister in the plumbing section.

On the other hand, no one ever seems to be surprised to see me in a restaurant. I always enjoy seeing people I know when I'm eating out, particularly folks from the church. Last week I was eating at Jacqueline's and said hello to six members of the church. I felt very popular.

One of the places in town that I was always sure to see church friends was at the University Club downtown. Bobby Shields, the manager of the club, is a member of our church and many of our members have enjoyed dining there. Bobby and his wonderful staff always made everyone feel welcome as they served up some of the best food in Shreveport. Last week the University Club closed its doors for the last time and our community lost a terrific place to dine and celebrate. But on the positive side, one of the hardest working men in Shreveport now has the chance to enjoy a very well deserved retirement. Congratulations Bobby!

In the week ahead I hope that you have the opportunity to meet up with friends and relations, whether it is by chance or by design. I hope that nothing will stop you from enjoying good food, good friends and finding many reasons to celebrate all that we have been given.

In Faith,

David

Kings Highway Christian Church,

It is with great gratitude that we think of Kings Highway Christian Church today. Thanks especially to the secretary for her fast and lovely work on the program for the memorial service, the janitors working behind the scenes, the elders for greeting visitors on Friday evening... and thanks to the entire congregation of the church for loving our patriarch so well. He loved you all dearly, and therefore so do we.

With thanks to God,

The Family of Royal Bachman

thank you

KHCC Casa Esperanza

Guests at Casa Esperanza

Otilio and his daughter Luz have been our guests at Casa Esperanza recently. They had the opportunity to have "a break" from the hospital over Christmas weekend, along with two other families, and also this past weekend.

They are from the town of Colon in Panama. This is the second time Luz has been to Shriners Hospital. The first time was in 2006 when she came with one of her aunts to have her right ankle and knee treated. So this time she had another surgery to continue that treatment. "The worst is over, right now she just needs to exercise her leg so she can walk properly" Mr. Otilio said as Luz was in rehab.

Luz is seventeen years old and is a sophomore in high school. Drawing and painting are her favorite hobbies. However, her daddy confessed to us that she still enjoys Barbies, especially dressing them up in very fashionable clothing. She also designs and sews clothes for them.

When speaking of their stay at Casa Esperanza, Mr. Otilio said the thing they liked the most about the house was the peace and relaxation they experienced there. "It is like our home here in Shreveport," he said. Contrary to our other guests Luz cooked for her daddy. She enjoys helping the other moms in the kitchen. But Mr. Otilio also helped by taking out the trash and doing other "manly & easy tasks".

"Thanks so much for having this ministry to share with others," Mr. Otilio concluded at the end of our conversation.

Be blessed by this good news,

Ellie Bulnes

KHCC News & Notes

ATTENTION PARENTS & CAREGIVERS OF OUR SUNDAY SCHOOL CHILDREN

Parents and Caregivers of our Sunday school children;

In recent months, the Christian Education Committee and I have been developing ways to make our Sunday school program more conducive to spiritual growth. We are addressing several aspects of this ministry, but at a recent meeting of parents and caregivers it was determined that the following procedures should be adopted immediately.

Effective February 6, 2011:

*Sunday school begins at 10:20 and ends at 11:05 am.

Children in the K-2nd grade and 3rd – 5th grade classes will report to the music room on the second floor. We've arranged for a teacher to be there when the children arrive and they will begin singing immediately. Children and teachers will continue to come in during this period, but everyone should be there by 10:30. After singing 3-4 songs, the teacher will light a candle and the children will form a prayer circle. Their teacher will, then, escort them across the hall to their class where everyone will be prepared to begin the lesson. A special thanks to Sylvia Hurd, Kim Frazer, Georgia Monk, and Carol Peyton for volunteering to lead this special addition to our Sunday school ministry.

All Sunday school classes will end at 11:05. Though teachers have agreed to stay until all children are picked up, we are asking parents to pick up their children in a timely manner. Children can no longer be released to siblings. They may be released to another adult if the teacher knows the person and feels comfortable letting the child go with them. Teachers will no longer bring children to the Family Life Center. Please respect our volunteers and pick up your children on time.

We are also adjusting the Sunday school curriculum to align with age appropriate learning expectations. I look forward to sharing these changes with you, soon.

If you have any questions, please give me a call.

In His service,

Carol Pabst

A "Note" from the KHCC Music Department:

I Need The Every Hour

In his book, "The Practice of the Presence of God", Brother Lawrence claimed to be as close to God while working in the kitchen as when praying in the chapel. The Lord, after all, is always near us, thus wherever we are is holy ground. That was the experience of Annie Hawks, a housewife and mother of three in Brooklyn, New York.

As a child, Annie Sherwood had dabbled in poetry, her first verse being published when she was 14. In 1857, she married Charles Hawks and they established their home in Brooklyn, joining Dr. Robert Lowery's Hanson Place Baptist Church. With the good doctor's encouragement, she began writing Sunday School songs for children, and he set many of them to music.

"I Need Thee Every Hour" was written on a bright June morning in 1872. Annie later wrote, "One day as a young wife and mother 37 years of age, I was busy with my regular household tasks. Suddenly I became so filled with the sense of nearness of God, wondering how one could live without Him, either in joy or pain. These words, 'I Need Thee Every Hour,' were ushered into my mind, the thought at once taking full possession of me."

The next Sunday, Annie handed these words to Dr. Lowery, who wrote the tune and chorus while seated at the little organ in the living room of his Brooklyn parsonage. Later that year it was sung for the first time at the National Baptist Sunday School Association meeting in Cincinnati, Ohio, and published in a hymn book the following year.

When Annie's husband died sixteen years later, she found that her own hymn was among her greatest comforts. "I did not understand at first why this hymn had touched the great throbbing heart of humanity," Annie wrote. "It was not until long after, when the shadow fell over my way, the shadow of a great loss, that I understood something of the comforting power in the words which I had been permitted to give out to others in my hour of sweet serenity and peace."

Some time after Charles's death, Annie moved to Bennington, Vermont, to live with her daughter and son in law. All in all, she wrote over four hundred hymns during her eighty three years, though only this one is still widely sung.

This hymn is indeed a message of comfort. Every time I play it, I feel better. I sincerely hope you receive comfort from these hymns also.
