## From your Senior Minister.....

I am looking forward to this Sunday, because in addition to joining with you all in worship, I get to do two of my other favorite church activities, save a life and eat pancakes. Saving a life is easy; I do it as often as I can by giving blood during our church blood drives. Most of us have never received blood while in the hospital. That's because whole blood is only given in cases of dire need. You can be sure then that the little bit of time it takes to give a pint of blood is time very well spent.

So after our 11:11 worship on Sunday I will not be staying to shake hands I'll be heading straight out to the bloodmobile to save a life. Please join me in donating this Sunday morning.

Before you give blood they want you to have a good meal. Well that won't be any problem for those of us who give blood on Sunday because the members of our Junior Youth Fellowship will be preparing, with the help of their adult sponsors, a pancake breakfast beginning at 8:15 and continuing until 10:00. All donations from this breakfast will go to support our youth program here at the church.

I look forward to seeing you here this Sunday.

God bless,

David

### Update on Eduardo

Eduardo's recovery following his surgery has been going very well. After 5 weeks, he is almost ready to have his cast and braces removed and to start physical therapy.

Unfortunately Eduardo hasn't gotten his appetite back and has lost too much weight over the weeks since his surgery. The doctors and nurses at Shriners and Willis Knighton are working hard to help him recover his strength before he begins physical therapy. Eduardo's mother Esther continues to live at the church's house on Kings Highway and Thornhill and spends everyday with her son at Shriners Hospital. Please keep Eduardo and Esther in your prayers.

*"Special Welcome" to our guests this past Sunday .....*

## VOLUNTEERS NEEDED FOR HELPING MEMBERS WITH REPAIRS AND MAINTENANCE

There is a need to provide help to some of our members with small repair and maintenance jobs, and we are starting a new ministry to address those needs:

### ***Repairs from the Heart***

Brian Richardson is organizing a team of volunteers to help members with household, auto and computer repair or maintenance. If you have skills in electrical work, tile work, auto maintenance, painting, glass, carpentry or any related area, please call Brian, and let him explain more about this wonderful new ministry. You may reach him at 925-0338.

You do not need to be a professional to serve on this team. Everyone can find a place to serve and help.

**Did you see the new beginning ????**

Our new Welcome Center is under construction in the Fish Bowl area! We want to be prepared when the work is completed to make this the best first impression for our weekday and Sunday visitors.

We are looking for volunteers to assist in the Welcome Center

**KHCC Outreach Team in Action**

**During our first quarter the Outreach Committee decided to make our quarterly recipient to be the Shreveport / Bossier Rescue Mission. They received \$500 from KHCC.**

KHCC also sponsors the Shreveport / Bossier Community Renewal Children in the Highland Friendship Houses.

This sponsorship provides pizza dinners for children showing improvement in their grades and conduct.

Over the past years teachers have seen drastic changes and efforts in the children and the number of children increase each time.

The Community Renewal has expressed great appreciation to KHCC for our continued support and giving these young children a tangible goal.

50% of your Easter Offerings will go to help support not only these dinners, but in purchasing tutoring supplies, and many other necessities that will help this afterschool program continue. These children are not only filled with knowledge but with the love of Jesus Christ through people who show an interest in them becoming the boy or girl God has intended for them to be. Will you help ??

Give generously !!

Thank you - Your Outreach Committee
