Inquiring Minds Want To Know.....

Contacting Bobby Cook

As you have probably heard by now, Bobby Cook, former Senior Pastor at KHCC, suffered a freakish accident, in which both legs suffered ruptured tendons, torn ligaments, and damaged muscles. Bobby will be forced, not to put any weight on his legs, for an extended period of time and will undergo months of physical therapy. The good news is, that his and Nancy's indomitable attitudes were undamaged, and they are working through this painful and very inconvenient episode of his life. He knows the prayers of KHCC are with them. For your information, their mailing address is....

Low Impact Exercise Class

We will be having low impact exercise in the gym Monday's at 6:30pm. Low impact means different things to different people. We will walk (as fast or slowly as you wish) and we have DVD's to do together such as Tai Chi or low impact aerobics.

This is not to prohibit high impact exercise. Those who want to do this type of activity are welcome to use the gym also. We just want to encourage those who aren't participating in any program to come out and get movin' with us.

Blessings,
Donna

Several of our Chi Rho are participating in an effort with the Shreveport / Bossier Community Renewal to collect paper towels, Kleenex, 409 cleaner and hand sanitizer for the teachers at Creswell Elementary. These are items that teachers need during the year and are no longer allowed to include on the school supply lists. If you would like to help please bring the items to your Sunday School room and the youth will collect them on July 22nd - Thank you for helping!
