## From the Minister. . . . .

There is a beautiful mountain in the Yosemite National Park that towers over Yosemite Valley. The mountain's name, *Halfdome*, is spot on because that is just what it looks like, the dome of some huge structure that has been cut in half on the vertical plane with a rounded but steep slope on one side and a sheer drop off on the valley side.

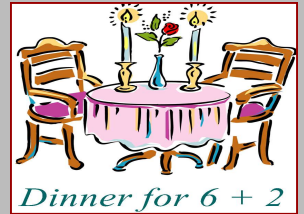

*Halfdome* is a popular mountain to climb but one section is so steep that the rangers have installed cables to assist climbers. The cables are very rough and gloves are strongly recommended. What's that? You say you forgot your gloves? Well no problem because at the bottom of the cables sits a large pile of gloves, maybe a hundred pair. They are gloves that were left by other climbers who have already made the climb and they left their gloves thinking that some future climber like you might need them.

As members of this church we are on a journey that many before us have completed. We are fortunate that those who have gone on before us here at Kings Highway Christian Church have left us important tools that we can use to make our journey easier. We have been left our beautiful sanctuary, given to each of us free of charge. We have inherited ministries that this church has been a part of long before we arrived, including the Christian Men's Fellowship and the Disciples Women's Ministry. Then, as we make our climb to the mountaintop, let's be thankful for all those who came before us, and let's be sure to leave something behind for those who will come after.

God bless,

David

**Do you  
know who  
is His-  
panic?**

According to the U.S. Census Bureau, "Hispanic" refers to people who live in the United States of *any* race who trace their origin to Mexico, Puerto Rico, and other Spanish-speaking countries in Central and South America and the Caribbean. Once they live here they mixed their latino culture with the US culture bringing a whole new Hispanic culture.

## **NATIONAL HISPANIC HERITAGE MONTH**

### **A Celebration!**

Do you know? This month we are celebrating the National Hispanic Heritage Month, a period decreed by the US government to celebrate Hispanic heritage and culture this great country. The observation started in 1968 as Hispanic Heritage Week was approved by President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 ending on October 15. September 15 was chosen as the starting point for the celebration because it is the anniversary of independence of most of the Latin American countries that declared independence in 1821.

It seems to be a coincidence the fact that our Hispanic worship's birthday is in this month of October and that since it is here our Hispanic members have been in charge of October's fellowship dinner. Truly, I don't think it is a coincidence, but part of God's plans for us. So in this way we have the chance of sharing our culture and celebrate our birthday with all of you letting you know how thankful we are of being part of this great church family.

There are no words or things that may show our thankfulness, but we will do our best with our actions and attitude. Let's think that our fellowship dinner this month is a celebration of our 5th birthday and also is our way to share with you who we are and how we feel of being part of this church.

We will have chicken enchiladas, rice and salad as the entrée, plus our tropical cake as dessert and Horchata as a traditional drink. Contributions will be in benefit of Casa Esperanza a great project that belongs to all of us.

Nos vemos ahi!

Dear Church Members,

You have succeeded yet again in providing over 30 units to LifeShare Blood Center! Because of your giving spirit, LifeShare has come to know KHCC as a place of abundant generosity. I continue to marvel at the character of our church family, and my appreciation extends to everyone who donated, encouraged someone to donate, made reminder calls, baked treats, or otherwise supported LifeShare's efforts.

In addition to gratitude expressed by LifeShare, the family of Maggie Lee Henson sends thanks via email and Facebook posts for honoring their precious Maggie Lee as a part of their "Maggie Lee For Good" campaign. You have truly glorified God through your gifts of life and your blessings to everyone who knew and loved Maggie Lee.

Our next drive is on December 6th. Looking forward to seeing everyone there!

Grace and peace,

Bonnie Martin
