Casa Esperanza Meet Our Guest

This is Mariela & Mr. Celestino Otero, they have been our guests at Casa Esperanza this past year. They arrived in the United States on September 17th, a few days later Mariela had major surgery on her right leg and now she is in rehab. Casa Esperanza has been their second home. Mariela particularly has been excited about living at the house because her dad has cooked the best “scrambled eggs” for her, plus she hasn’t missed out on any of her favorite shows on the on Disney channel.

One of the things she enjoys most in Panama is attending school. Her favorite subjects are Math & Science. But she also loves crafts, “my friends are waiting for me to finish the Christmas craft project,” she said smiling. The good news is they may be going back to Panama the first week of December!

I truly give thanks to God for knowing these great people who bless us with their thankfulness. May God continue blessing all of you who support this ministry, so that we may continue blessing those little ones our Lord loves so much.

2011 THANKSGIVING OFFERING--November 20th

Disciples Seminary Foundation sponsored four students who traveled to Haiti in solidarity with our Global Ministries Church Partner CONASPEH. Jerri Handy, Lizzy Beach, Sharon Mann, and Lindsay Million were the first Disciples/UCC team to provide crisis relief for the earthquake-stricken country. In reflecting on the trip, DSF student Jerri Handy said, "I am so thankful to belong to a great Church who understands the need to respond with physical presence in times like these."

Danielle Cox, a student at Lynchburg College, spent two months studying in India through Lynchburg's international studies program. During her time in India, Danielle worked with the Hope Foundation teaching geography and English in the slums of Cheinnai. "Because of my Disciples education, I understand my life work as vocation. I am now exploring seminary and God's call to ministry," Danielle shared.

These stories are among examples of how Disciples students are educated in a service-learning model. Your gifts to the 2011 Thanksgiving Offering support the care and nurture of servant leaders. The Thanksgiving Offering benefits the colleges, universities, seminaries, and divinity houses affiliated with the Christian Church (Disciples of Christ). These learning communities are an extension of the church, challenging students to understand and respond to God's call to serve. Your support provides scholarships, church relations programs, and chaplaincy offices. Most importantly, your support of the 2011 Thanksgiving Offering helps Disciples raise up servant leaders!

One half of the Thanksgiving Offering benefits the colleges, universities, seminaries, and divinity houses affiliated with the Christian Church (Disciples of Christ). These learning communities are an extension of the church, challenging students to understand and respond to God's call to serve. Your support provides scholarships, church relations programs, and chaplaincy offices. **Most importantly, your support of the 2011 Thanksgiving Offering helps Disciples raise up servant leaders!** The other half of this offering will be used for outreach ministry here in our community. The needs are many, and our committee is in the process of determining how best to use the local portion of this offering.

Please prayerfully consider how you will contribute to this offering. Thank you in advance for your generous support.

Joel Hayslip (Missionary from Burkina Faso) will be in Shreveport on Nov. 20th. He has been invited to come to KHCC that afternoon at 4:00 pm in the Fellowship Hall to tell all his stories. We will be giving Joel a "Love Gift" when he is here visiting at KHCC. We are accepting donations now, please make check payable to DWM and turn in to the church office or Dolores Sherrer. Thank you so Much. Lets make this "Love Gift" one to remember.

Note from Heidi Hayslip:

So I wanted to let you know that Joel is planning on making a trip to Shreveport for the weekend of November 19 - 20 then driving back to Tulsa the 21st (this is the weekend before Thanksgiving). He'll be speaking at the children's church of Shreveport Community Church on Sunday morning (Nov. 20), but other than that, he's open to coming to visit Kings Hwy if there is a Sunday night service or any small groups or anything like that. God has really been doing great things in our ministry to children, and expanding our borders. We now have about 50 children's workers that make up 5 outreach teams who go regularly doing outreaches to children in villages. They are on-fire. We've seen the power of our supporters' (like you!) prayers bring miraculous fruit. So Joel has many cool stories he could share even if its just with you. :) I know he'd love to connect with you guys while he's in Shreveport."

A “Note” from the KHCC Music Department

“JESUS LOVES THE LITTLE CHILDREN”

Almost everyone knows, “Jesus Loves the Little Children,” but few of us have sung the three verses that go along with that chorus. Nor do many people realize this was originally a Civil War Ballad, George Frederick Root was born into a large family in Sheffield, Massachusetts, in 1820, and showed signs of musical genius. By age thirteen, he boasted that he could play thirteen different instruments. As a young adult, he taught music in Boston and New York, and he also composed music and served as church organist.

In 1855, he offered a song called “Rosalie, the Prairie flower” to his publisher for the hefty sum of one hundred dollars. Root’s publisher, not thinking it worth that much, offered Root a royalty plan instead. In time, Root grossed *thousands* of dollars from “Rosalie,” which helped establish him financially.

The outbreak of the Civil War deeply affected George, and he immediately began using his gifts to advance the Union War effort, writing a host of patriotic songs to rally the moral of the North. As a serious, classical composer, he was embarrassed at the simple martial music coming from his pen, so he signed them with the name “*Wurzel*,” which is the German word for “root.” Among his most popular pieces was a ballad entitled “*Tramp! Tramp! Tramp!*”

In a Prison cell I sit, Thinking, mother, dear of you, And our bright and happy home so far away, And the tears, they fill my eyes, ‘Spite of all that I can do, Tho’ I try to cheer my comrades and be gay.
CHORUS: *Tramp! Tramp! Tramp! The boys are marching. Cheer up, comrades, they will come, And beneath the starry flag we shall breathe the air again of the free land in our on beloved home.*

After the Civil War, the melody remained popular, but the words were dated. A minister named Claire Herbert Woolston, a lyricist whom Root occasionally used, wrote new verses and a chorus. And that’s how a Civil War ballad about a soldier in prison became one of the most popular children’s choruses in history.

Our words are:” *Jesus loves the little children. All the children of the world. Red and Yellow, black and white, They are precious in His sight, Jesus loves the little children of the world.”*
