

The Kings Highway Christian

Volume XXX Number 50

December 5, 2006

From Your Minister.....

For quite some time I have been working with our youth and adult sponsors each Sunday evening during our youth activities. While it has been my intention to find a new youth minister to take over this responsibility, I have come to feel an increasing call to continue connecting with the youth on Sunday evenings, working with the sponsors in providing a fun and exciting environment, and leading our youth in Bible studies and opportunities for spiritual growth.

While I do have the time to spend with the youth on Sundays and to do the necessary preparation during the week, I do not have the time to accomplish all the organizational tasks that make a youth ministry truly effective. It became clear to me that if I decided to continue working with the youth we would need a paid staff position responsible for organizing our youth ministry. I am grateful that there is a person in our church who I believe has a special calling for this kind of work. So several months ago I asked her to pray about working with me on this ministry by joining the staff as the church's new Youth Director.

I am now happy to announce that Becky Flippo has accepted the staff position of Youth Director here at the church. Becky has volunteered with our youth ministry for many years as her own three daughters were active members of our youth groups. Through the years Becky has shown great love and concern for this ministry and a great talent for organizing our youth program. I know that as a staff member she will have the opportunity to grow the considerable gifts and talents she already possesses. I hope that you are as excited by this addition as I am. I know that together Becky and I will be able to provide an enriching and exciting youth program here at Kings Highway Christian Church.

God bless,

David
