

The Kings Highway Christian

Volume XXX Number 20

May 10, 2006

From your Minister.....

When you watch the Star Wars movies do you notice the Christian themes of calling and redemption? When you see The Matrix does the story of Neo remind you of the stories of Moses and Jesus? Do Christian symbols jump out at you when you read Harry Potter? There is no doubt, Science fiction and fantasy stories are full of Christian imagery and ideas that can be used to help us understand the Bible and our own faith better. Later this month I will be leading a SciFi & Fantasy Bible discussion regarding Christian lessons in the Matrix Trilogy. This will be the first of four monthly SciFi/Fantasy Bible studies which run through this summer. Look in next week's newsletter for more details about this Bible study.

Also, I will be leading three more workshops on how to lead an effective and interesting Bible study/discussion on Tuesday May 16th, 23rd & 30th from 7:00-8:00pm. Don't worry if you missed our first session. As much as possible these three workshops will stand on their own, coming to all of them would be great but if you can only make it to one or two you will still learn a lot. I hope to see you there.

God bless,

David

Happy Mother's Day

*"Happy Mother's Day" means more
Than have a happy day.
Within those words lie lots of things
We never get to say.*

*It means I love you first of all,
Then thanks for all you do.
It means you mean a lot to me,
And that I honor you.*

*But most of all, I guess it means
That I am thinking of
Your importance in my life on this,
your day,
With pleasure and with love.*

*To all mothers young and old. We celebrate
the love and life you have given us.*

It has been said that "YOU CAN ARGUE WITH AN OPINION BUT YOU CAN'T ARGUE WITH A FACT." Well the fact is that more than 100 million Americans carry balances of over \$9,000.00 in credit card debt, the personal savings rate has fallen to zero percent in 2005. More than 70% of retiree's wished that they had saved more for their retirement. Most people don't have a written plan on how to reach their retirement goals.

KHCC through it's Stewardship Committee is offering a Free "How Money Works!" seminar to all members and their families. God wants each and every one of us to be debt free and financially independent. Good stewardship with your money is a key to get success in your life, your church and your community, If you ever prayed for someone to help sort out your financial situation, we are going to help answer your call. or sign up in the church to attend this seminar. Space is limited, Daycare will be provided. The class will be held May 11,th 2006 or May 25,th in the parlor, or you can contact Mr. Jerry Spearman. If you would like to sign up please look for sign page in the narthex or reply to email

Want to Participate???

- *Need a plumber?
- *Thinking about consulting a travel agent for your next vacation?
- *Want some nutrition information?
- *Looking for someone to do odd jobs around your house?
 - *Got a product for sale?
 - *Do you offer a service others may use?
 - *Are you an expert in your field?
 - *Want to promote your business?

We are composing a book for church members of church members with a product or service to offer. Many times we would feel so much better knowing someone we are dealing with but just don't know who to consult. Ever had a job done and then later found out you could have been dealing with your church friends?

If you would like to have a listing in our little book, please email me, Cathy Howell at misscathy@yahoo.com or drop off your information to the church office for me. We will collect the information for a couple weeks and then have a cut off and make the book available to everyone interested.

If you would like to promote yourself or your company, this is your chance. Please write the information with all details and I will have you proof the final before publication. Only church members will have a listing and everyone can have as many listings as they have different things to list. Sound good?

Medical Mentoring Program

By Rev Donna Barnett

In a conversation with Pete Bratlie tonight, he suggested a Medical Mentoring Program. This is a program in which members with experience with a disease process; such as heart disease, to volunteer to be there for others who are going through symptoms of cardiac disease like chest pain or arrhythmias. These Mentors would visit them in hospital or at home to provide additional emotional and life experience support. This extends to other conditions as well, it as far reaching from diabetes to menopause. This will be a new thing, to my knowledge that has not been done previously.

The benefits of such a group will, I believe, be tremendous. No one can speak as meaningfully as one who has walked the walk. There are also things that patients know about conditions or procedures that even medical professionals are unaware of because only the one who going through it, has felt it.

If you are interested in participating in such a group, please contact the church office: 222-3684 or my cell phone: 470-1884. Thanks to Pete Bratlie for this wonderful opportunity for us all to minister.

Blessings,
Donna

Thank You

To all my friends at KHCC:

On behalf of my family I want to thank you so much for all the cards, donations, food, flowers and phone calls recently when my father died.

The money that was donated has been put in a special fund for a new piano in the choir room. I also will be having a CD coming out soon of all my favorite religious songs. The proceeds will also go toward that fund.

It amazes me how caring this church is, and I love all of you very much.

Louise Manhein Chamberlain,
and my husband CC

THANK YOU KHCC!

Kelli's ordination could not have been more meaningful and we are grateful to so many for making this event possible. To Dave Farmer for the tireless details in organizing the event and David Brice for his guidance and support of Kelli when she needed it most, goes my deepest gratitude. Much love and thanks go to the Elders for presenting her with her first robe, the Pioneer Class for her stole, Elli for the beautiful flowers, and the DWM for the grand reception. Thanks to so many who participated – from presentations to laying-on of hands. I was humbled by the presence of her KHCC friends from childhood who came to be a part of this grand spiritual ceremony. And, to all of you who extended love, support, and comfort to Kelli and her family for 25 years! God bless to you all! We love you!
