

The Kings Highway Christian

Volume XXX Number 21

May 17, 2006

From your Minister.

Life has a way of surprising us with unexpected twists and turns. Just when we think that our road is set and we know what is coming next, our way will suddenly veer in an unexpected direction. We may find ourselves in a dark valley, a green pasture, or in a place that is neither good nor bad but simply mysterious and foreign. Of one thing we can be certain, we can not know where our journey might take us next.

Our success as Christians and as human beings depends greatly on our ability to see clearly exactly where our path has taken us, to deal with our new environment in a loving and Christian way, and to grow from these experiences. We may never be sure what is around the next corner but we do know that God not only travels with us, God encourages us forward, for many times it is through the unexpected twists and turns in life that we find personal and spiritual growth.

God bless,

David

Stewardship Seminar

It has been said that "YOU CAN ARGUE WITH AN OPINION BUT YOU CAN'T ARGUE WITH A FACT." Well the fact is that more than 100 million Americans carry balances of over \$9,000.00 in credit card debt, the personal savings rate has fallen to zero percent in 2005. More than 70% of retiree's wished that they had saved more for their retirement. Most people don't have a written plan on how to reach their retirement goals.

KHCC through it's Stewardship Committee is offering a Free "How Money Works!" seminar to all members and their families. God wants each and every one of us to be debt free and financially independent. Good stewardship with your money is a key to get success in your life, your church and your community, If you ever prayed for someone to help sort out your financial situation, we are going to help answer your call. or sign up in the church to attend this seminar. Space is limited, Daycare will be provided. The class will be held May 25th and May 31st in the parlor, at 6 - 8 pm or you can contact Mr. Jerry Spearman. If you would like to sign up please look for sign page in the narthex or reply to email.

ARCHIVE ROOM.....

We need your help. We are in the process of updating and revamping the Archive Room at KHCC. If you have any old photos of events, people, staff or the church, please get us copies of them if possible, you can even put on CD if you wish. We need dates and names of those included in photo if known as well. You can bring them by the church office. Our church has a wonderful history, with many family members and we would love to include all we can in our Archive Room.

We are in the process of updating the newsletter data base. We need to know who is willing to receive the newsletter via email. If you do not receive it email or your email has changed, please let us know so we can add you to the list.

We have found we are doubling up on email and regular mail with the newsletter, so we are getting that worked out as well. If you receive both please let us know.

By Rev Donna Barnett

Summer is almost here and with that, school will be out. Very frequently kids will “forget” a lot of what they use in school during the summer. One way to prevent this is to encourage healthy habits. School years are often filled with organization but summertime often lends itself to chaos and sometimes boredom.

To prevent boredom and keep good habits try encouraging set times for reading. Jacqueline, my daughter, enjoys reading before bedtime. It can also be a great wind-down before naptime in the afternoon. Regardless of when you choose to read, make it as consistent as possible taking into consideration that vacations happen and this is the time for spontaneity. Math skills can easily be kept up with the use of flash cards twice a week. Of course if your child has a problem with math or reading summer is a great time to have concentrated tutoring. Starting summer reading lists at the beginning of the season helps get the task out of the way so that parents are not scavenging in the bookstores looking at sold out shelves. All schools are or have already put together their summer reading lists, so parents be aware.

Many children if they read this, provided they are old enough to read, will think me heartless. It is however, a parent’s job to be a parent first, not a friend. If done correctly, your child will enjoy reading or being read to, because it will lead to one on one time with you their parents. Helping your child with these skills this summer will often open up conversations about what feelings they have about school both positive and negative.

It is my hope that this summer will be both a safe and a happy one for all and that we will be ready for school in August.

Blessings,

Donna

MISSION TRIP TO EL SALVADOR

Our Hispanic Ministry has the opportunity to participate in a mission trip to one of the poorest countries in Latin America, El Salvador.

The mission is going to support Shalom Children's Home. This home houses about 70 children between 1—17 years old. Shalom Home's goal is to raise needy children in their county and culture with a Christian emphasis providing education. These children can later go back into their society as professionals and make a Christian impact helping other needy children. We expect that KHCC through the Hispanic Ministry may bring blessings and support to this home. Jesus' Bolnas, one of our ministers is going on the Mission trip leaving on May 27th and returning June 3rd. If you would like to participate by donating items here is a list of what is needed: twin size bed sheets, bath towels/hand towels, hair styling gel, shampoo, hair nets for the kitchen, nude panty hose, cough syrup with expectorant, cold & flu meds, pepto bismol/imodium (generics are fine) baby wipes, diapers, diaper rash cream, vasoline, Gerber baby food, backpacks for school.

Cash donations are also needed. Part of the cost of the trip is covered but we still need money for construction projects and to help cover some expenses for Jesus.

So if this is a mission that touches your heart and you are willing to help please call Jesus or Ely at 686-2250

God bless you during this holy week!

WOULD YOU LIKE TO GET INVOLVED ????

If you can help please bring donations by church office.
