THANKS AGAIN

to all our dedicated blood donors for coming out to share the gift of life this past Sunday.

Many from our church are not able to give at our onsite drive because they are regulars at the Lifeshare Center and have already given. Thanks to each of you.

Thank you Mary Ann Bowie for always preparing those tasty treats.

Mark your calendar for the next blood drive – September 23rd in the Fellowship Hall

From the Minister

Last week was a tough one for the Brice family. Last Monday night my wife Lesley fell on the stairs and broke her leg in three places, she underwent surgery the next day, and then spent four days in the hospital recovering. On Friday evening she was released from the hospital and returned home, much to the relief of her family.

This is the first time that either Lesley or I has spent time in the hospital, except for when our children were born, so I feel like I should have learned something new from this experience. But instead of learning something new, I was more reminded of things I already knew, like how important each member of a family is (especially the Mama), and how difficult it is to adjust to even a brief absence. I was reminded of the close connection that exists between friends and family members and how when one suffers all suffer. I was also reminded that no matter how strong one family is the members of that family still need the help and support of their community.

Sometimes we may get fooled into thinking that we all on our own as we make our way through life, and it takes something big to remind us that we are closely tied to friends, family and coworkers in a community where each individual is important and valued.

In faith,
David

SERVING THE WORLD'S POOR
(Mission trip to El Salvador) (July 5th to 14th)

“We search for the abandoned and needy and minister to their needs”

Let's spread the Gospel of Jesus Christ through our actions and good works. Shalom home's children are waiting for our help.

Our Goal is to collect a contribution of at least \$500.00 dollars to help this home to continue supporting those children. Also we are helping our missionaries with the travel expenses.

Then this mission experience is giving us the knowledge to have our own KHCC the coming year. This is an opportunity to do practical ministry and be preparing our own journey where we truly become the hand and feet of Jesus, as we put our faith into action.
