

The Kings Highway Christian

Volume XXX Number 26

June 21, 2006

Words of encouragement. . . .

Those of you who know me well are aware of how strongly I believe in our ability to transform and to be transformed. I too often encounter people who seem to feel entrapped by their situation with no way out - a self-imposed inability to be anything different than what they are at present. How unnecessary and tragic!

Paul reminds us in Romans 12:2, "Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is -- his good, pleasing and perfect will." We can use prayer and meditation to help us change ourselves into people who are more pleasing to God's will.

And, especially at this time of year, I would suggest to you we can also use vacations. Whether they be long or short, traveling far away or near to home, vacations can provide a new perspective and help get our minds into transforming pathways.

The Brice family is gone for a three week vacation in Colorado, and we know that it will be a transforming experience for them. Let me urge each of you to avail yourselves of vacations, and do it not only for fun but also to let it transform you.

God bless.....Dave Farmer

By Rev Donna Barnett

This summer we will continue to have our 4:30 support group for families with substance abuse issues. We will just refer to this group as the "4:30 Group". It meets at this time on Sunday afternoons in the Family Life Center.

In the short time we have been together we have come to have close knit group, but if you have never been and feel it may be too late to join-it is an open group that always has room for you.

If you are going through familial addiction issues and want a loving and supportive group, we are here-Don't wait. If you have an issue that you need to speak to me about during the week, call me at 470-1884.

Blessings,
Donna
