**In 2008, Susan G. Komen for the Cure celebrates the 25th anniversary of the Komen Race for the Cure, the largest series of 5K runs/fitness walks in the world, with well over 1 million participants since 2005.**

The Komen Race for the Cure Series raises significant funds and awareness for the fight against breast cancer, celebrates breast cancer survivorship, and honors those who have lost their battle with the disease.

This year's race will be Saturday, September 20. Kings Highway is going to have a team. Madeline Holder is Team Captain and for more information you may contact her at 861-0198 or 465-9461. **Entry forms may be obtained in the Church Office and must be turned in by September 3rd.** Entry fee is \$25.00 (you may, of course, donate more).

This is a walk-run-fun race which will start and finish at Mall St. Vincent parking lot. 75% of the net proceeds from the Race will fund local breast health education, screening and treatment. The remaining 25% will fund vital research through the Susan G. Komen for the Cure Award and Research Grant Program.

**SAFE DRIVING CLASS**

**September 29 - 30**

**8:30 - 12:30**

**In Fellowship Hall**

**Cost: \$10.00**

**The Class is for anyone 50 or over and is limited to 35 people, so call the Church Office to register.**

*Angie Strickland's* name was left off of the sponsors and teachers list last week. *Angie* will be teaching Sunday School for the JYF this year. She and *Mary Jane Weatherman* will be alternating. Thank you, *Angie!*

I just wanted to update you concerning my training for the Breast Cancer 3-Day, as well as how my fundraising is going.

My teammates and I have been steadily increasing the distance that we walk each week, and yesterday Shannon and I walked 13 miles. We never could have done that a couple of months ago, but with faithful training we managed to complete our walk in 4 hrs, 45 minutes with one stop to refuel and rest.

My donations now total \$922.00, so I am almost halfway to the \$2200 mark. Thank you to all who have donated so far, and all who will later. You don't know how grateful I am that you are giving me the opportunity to walk for this worthy cause. Maybe our grandchildren or great-grandchildren won't have to raise money for breast cancer research and education.

May God bless you all,  
Barbara Fanta
