## FROM THE Minister

This last Sunday was Pentecost, the day we remember the moment when the Church truly became the Church. The Church didn't begin when Jesus called the first disciples, and it didn't begin when Jesus was crucified, or when He was resurrected. Though the disciples were all together and they all believed in Jesus as Messiah, they needed one more important ingredient before they would become the Church, they needed God's presence in the form of His Spirit. On Pentecost the followers of Christ received God's presence, which burst in on them like a mighty wind. At that moment the Church was created.

Pentecost is an important reminder that the Church in general, and our church specifically, is a gift from God—as are all good things. What makes it possible for different people, who worship in different ways to be one church? It's not the skill of the minister that binds our fellowship together and it's not the will of the congregation. The church is a miracle, only possible through God's presence.

I hope you feel Him when you are here at church. I hope you feel Him in worship, as you sing or play an instrument, as you pray and as you receive communion. I hope you feel Him as we gather for church dinners and as we meet to plan programs. When we forget that it's God's presence that makes us a church, we quit being the Church. Pentecost may be behind us now but we will continue to celebrate the presence of God's Spirit every Sunday in all three of our worship services. It is something I look forward to every week and I hope you do too.

David

Stewardship-A Way of Life.

## Stewardship Moment

I am going to try again to get the attention of the Congregation on how our Children think the different Ministries of the Church are Funded. Most Children think it is very inexpensive because they seldom see donations of money or envelopes deposited in the weekly collections. You and I know that most Church Members make a monthly, quarterly or even yearly donation and do not even think about the weekly tithes. The very young assume wrong. Kind of like guilt by association! As I stated in the last couple of Bulletins, please make a point of putting an envelope with a small amount of cash or check in the collection plate to show Gods Children that every donation helps.

The first week we only had a couple donations, the second week we must have had more readers. I appreciate all of you that are helping in this tithe lesson for the Children.

God Bless,

Bobby B. Shields

## KHCC News & Notes

### Adult VBS Class Looking Back to the Future!

Join us for a historical review of Charles Ravenna's 1988 video guided tour of KHCC and the symbolism of our church building, the origins of our demonization, and the impact KHCC has in our community as well as our own lives yesterday, today, and tomorrow. Historian Joanne Sherrod Sigler will be our guest speaker Monday, July 21st.

### Blood Drive Totals

We received 15 units (which was our goal) between the blood drive and those donating at Lifeshare between the last two drives. There were at least two that gave double red cells this time, which counts for 2. Thank you to all who gave, as we never know whose life we might save.

### Youth Department — Sheet Sales — Don't Miss Out!

Due to popular demand, the Youth Department is selling sheet sets again. The money will be used to cover the expenses of Fall Spiritual Retreats. Each set is \$35, no shipping no taxes. Order forms will be available in each Sunday School Class and the Church Office. Payment is due when the order is placed. Thanks for participating.

**Becky Flippo**  
Youth Director

### Pentecost Offering

Thank you for the donations collected the past two Sundays for the Pentecost Offering. We collected \$1612 dollars. Half of the offering will go to the Gingerbread House Bossier/Caddo Children's Advocacy Center and the other half will go to the Disciples New Church Movement.

## HELP WANTED!
