## Stewardship Moment

I would like to thank the Congregation for their support of the Sound System and Assistance Ramp Fundraising effort. We have funded the effort in full. Again, I would like to thank each of you that contribute to the visual plate effort each Sunday.

In an effort to help in planning the Budget for 2015, I would ask that each of you look at you Pledges for 2014 and if you need to catch up, please do so at this time.

We had a discussion as to how to get the Stewardship Word across to the Congregation. It was felt that the most effective way to increase Membership in Kings Highway Christian Church was by word of mouth. Our greatest assets are our Members. If we could convince our Members to make an effort to ask there friends, new neighbors, business associates, etc. to attend a service at Kings Highway, we would have a thriving Membership in a very short period of time.

These are several ways to further Stewardship at Kings Highway Christian Church. We need many volunteers for Board Members, Elders, Diaconates and yes, Stewardship Committee Members.

Opportunities are available everywhere and knowing that you have contributed not just your money but also your time to a project, committee, etc., will give you a sense of belonging as well as accomplishment. We as a congregation need to decide what we want to achieve in the coming year and further as we begin our stewardship campaign this month. Where do you believe God is leading us?

Bobby D. Shields

Stewardship Chairman

### Youth Rock Update:

Youth Rock has enjoyed its summer hiatus, but it's time to get back into the groove! Instead of meeting on Sunday afternoons, middle- and high-schoolers (Chi Rho and CYF) who sing or play an instrument suited for a rock band are invited to come most Wednesday nights at 6:45 in the Family Life Center to learn music with Andy Fletcher, Director of Contemporary Worship. Please text me at 318-347-0938 so that you can be in the loop about this awesome ministry. ~ Miss Bonnie

### Youth Symphony Update:

Kids who are learning to play instruments suited for symphony music are invited to prepare a Christmas selection with Craig Pratt, Director of Traditional Music, beginning in November. Interested parents, please text me at 318-347-0938 so that we can get together soon and coordinate rehearsal dates and times with Craig. Thanks! ~ Miss Bonnie

# FROM THE Minister

We have a great deal to be excited about here in these early weeks of October. First, work on our sanctuary sound system will soon begin. These upgrades to the sound system are possible because of the success of our recent fundraising campaign. I am excited to report that we far exceeded the goal of this campaign by raising over \$50,000 for the sanctuary sound system. The extra funds we have raised will come in handy in the future to pay for maintenance of the sound system and for purchasing replacement microphones and other equipment. Because of the generous contributions we received we can look forward to the work on the sound system to be completed about the time the holiday season begins. Thank you to all those who made this work possible.

Another exciting event we have to look forward to in the coming weeks is the celebration of the tenth anniversary of our church's Ministry to the Hispanic Community. We will be celebrating this anniversary on Sunday, October 12th at a combined worship service in our sanctuary. While combined services are nothing

new to us here at KHCC, this service will be special because instead of being a contemporary or traditional service, it will follow the order of service from the worship service in Spanish we conduct each week in our third floor chapel. Both our Chancel Choir and our Hispanic Praise Musicians will be providing music for this service and all of our ministers here at KHCC will participate in leading this service. This will be a great opportunity for us all to see how those who attend our service in Spanish worship each Sunday. This service will be followed by a lunch in our Family Life Center catered by Chimi V's. I hope you will make a point of celebrating with us on this exciting day.

As we begin the season of Autumn may we all be blessed with the assurance of God's presence in our lives and in the life of our church. May we feel God's Spirit guiding us, inspiring us, and watching over us in all that we do.

God bless,

David
