

# THIS WEEK @ KHCC

## "Yam Sunday"

Please bring a can(s) of yams/sweet potatoes to church on Sunday, November 11, 2018 for donation to the Noel Food Pantry.

These items will be collected in the rear and front of the Sanctuary for delivery to the pantry.

Thank you for giving and God Bless!!

From the very beginnings of the movement, Disciples have founded institutions of higher learning, encouraging students in their intellectual pursuits. The Christian Church (Disciples of Christ) is still committed to higher education. Currently, [over 50,000 students attend our fourteen Disciples related colleges and universities or seven seminaries and divinity houses. And in the past twelve months, over 12,000 students have graduated from these fine schools.](#)

On November 11th, Disciples churches across the US and Canada will collect the Thanksgiving offering. Your gift to the Thanksgiving offering [helps to support the work of our institutions of higher learning in many ways: financially supporting Disciples related schools, providing undergraduate scholarships and support for spiritual life offices, and providing scholarships and support for those pursuing theological education.](#)

This November, please give generously to this year's Thanksgiving offering. Your gifts make a world of difference as Disciples continue our legacy of supporting education and our institutions of higher learning.

## Thoughts from our Regional Assembly

I signed up very late for our regional assembly, but was included in every facet of that event. Each attendee was invited to attend two workshops on Saturday afternoon, and I did. One I attended was entitled “Congregational Transformation/Re-Development” and was conducted by Gilberto Collazo from the Hope Partnership. He started by telling us that churches needed to answer three questions: What, How, Why. But not in that order. The first question to be answered is “Why do we exist?” Once that is answered we must then ask “How are we going to satisfy the why.?” And then we will need to answer “What is it going to take to accomplish that?” That has stuck with me, and bugged me and burdened me since I heard it. Have we ever asked ourselves, “Why do we exist as a church?” What is our sense of purpose? Do our buildings facilitate our mission or are they a museum? Are we using God’s treasures to be the best? How can we challenge each other to live our faith?

Just thought I would pass that on to those of you who could not attend this last weekend.
