Attention Parents - On Sunday, February 10th, we will be studying the story "The Widow's Mite." Children are welcome to bring small items such as stickers or pictures to give to their friends. We will also be making some things for our friends in case you forgot or don't have time. We usually have around 15 kids. PATTERNS FOR PATIENTS

JAN.21-MAR. 29

What is the mission of Patterns for Patients?

Patterns for Patients' mission is to collect fabric for Shriners Hospitals for Children Orthotic and Prosthetic department. This fabric helps children have the opportunity to choose a pattern for their new prosthetic limb even if their family does not have the means to do so. The material **SHOULDN'T** be stretchy or furry, but **SHOULD** be the same material as most pillow cases and not have much give to it. Below are some examples of how donated fabrics will be incorporated into a child's new prosthetic limb.

This is where the Design from the fabric will go!

What kind of fabric do we need?

NO: stretchy, furry, jersey material, flannel, or fleece.

YES: 100% cotton
