Message From Board Chairman Clint Snell

This is an exciting time for Kings Highway as we meet and greet our new Interim Senior Minister, George Latimer and his wife Kathy. Many of you already know George and his family from his

previous service as Sr. Minister at Central and Broadmoor Christian churches here in Shreveport as well as being a leader for youth camps and conferences in Louisiana for 13 years. We have also enjoyed seeing them during their visits with their son and his family - Rob, his wife Jill and grandchildren Cora and Cale who have grown up in Kings Highway. The Latimers (who have been married 48 years) also have a daughter, Joy, who is an Assistant City Attorney for the city of Springfield, MO based at the Springfield-Branson National Airport. They moved from Eucha, Oklahoma to Shreveport just last week, bringing along just four of his many guitars and a banjo. During the move in it was very apparent watching him assemble furniture that the skills he mastered in his remodeling business in his early years as a bi-vocational minister have carried over to the present.

George began his academic journey at Drury College (BA - English) and completed his M.Div. at Brite Divinity School at TCU in 1973 and was ordained the same year. We are indeed blessed to have him lead us through this transitional period in our church's life. George received recommendations from several member of the congregation as well as Nadine Burton our regional minister. He has served churches in Texas, Louisiana, and Missouri. George received Intentional Interim Training in 2009 and has served two intentional interims.

Join us in worship Psalm Sunday for a combined service starting at 10:50 with a delicious lunch to follow. Don't forget to have your children bring their Easter Baskets for an Easter Egg Hunt to follow lunch. Help us celebrate New Beginnings with George and the start of Holy Week this Sunday.

Message From Interim Senior Minister Rev. George Latimer

Kathy and I are delighted to have the opportunity to be part of the ministry at KHCC this next year and pleased to be close to our Louisiana family. This church has been significant in our lives for many years, and we are humbled that those who know us support us in this call. As of this week, we are settled in our apartment and enjoying the Louisiana spring.

Since it has been fourteen years since KHCC has been in a pastoral search, perhaps it would be

helpful to share information about what (in my opinion) are some of the nuts and bolts of interim ministry:

Traditionally, Interim Ministry was about three “Ps” – preaching, pastoral care, and playing golf. About forty years ago, churches and denominations began to recognize that this interim time needed to be more than just a place holder between ministries. Interim ministry began to be studied, and methodologies were developed to help congregations use the interim as a fruitful period of examination, insight, and adaptation. It *should* be a time when policies and practices are updated, when longstanding issues are discussed and resolved, and when the church prepares the ground for the next chapter of ministry. Additionally it *can* be a time when the congregation takes a hard look at its present realities, examines its spiritual commitment, and plans for the changes necessary to move toward a vibrant future.

Churches who chose to use the interim to focus on self-study and mission planning will need to understand that such processes take time. Short-cutting this work isn't helpful and the Search Committee needs to be able to do their tasks without pressure.

My role in this is to serve as the non-anxious presence as the work of the congregation moves forward. Well, that's a goal anyway - I'll do my best. In any case, I'm very grateful to be able to serve as your Interim and look forward to getting acquainted with more of you.

Message from Senior Minister Search Committee

We are in the process of updating our Congregational Profile for the Great River Region so that they can post it for interested pastors. This is much more involved than we had imagined. The questionnaire that you filled out is part of this profile. Thank you to each of you who have turned yours into us (it's still not too late to turn one in). We will combine these questionnaires into the top four areas of greatest need for ministerial leadership - (the top four skills desired in the next pastor) and then use this data. We have been advised to take our time on the search process and not to rush it. It takes a long time to do a thorough job. We appreciate any information that you share with us and will keep it confidential.

The Search Committee includes Carolyn Brewer as Chair, Mary Anne Bowie as Secretary, Mike Bachtell, Jim Monk, Chris Thompson, Dwight Bailey, Allison Bushnell, James Monk and Clint Snell.

It's Camp time! GRR will be going to Disciples Crossing again this year. You can register at <http://www.disciplescrossing.com>. Pick the option for pay by check since the church will pay for half of registration.
