

THIS WEEK @ KHCC

Epiphany Project Retreat September 14-15

The next step in KHCC's focus toward a renewed vision will be a retreat experience Saturday, September 14th and Sunday, September 15th. We invite congregational leaders (formal or informal), young potential leaders, and those interested in the future of the church to be present. Through the guidance of our guest facilitator, we will be working to rethink KHCC's vision and mission and re-orient our leadership styles from "managing a church" to "transforming our community."

This event will be held in our fellowship hall. Saturday's schedule runs from 8:30 a.m. to 4:00 p.m. and Sunday's from 12:30 to 3:00 p.m. This is a big block of the weekend, but we have important work to do and need to give this process the time and energy needed to let God help us revision our mission as a congregation.

Lunch will be provided on Saturday. If you are interested in attending this retreat and have not talked with Clint Snell or George Latimer about participating, please contact one of them or the church office by Sept. 8th. (Clint – 207-0752, Geo – 417-848-6776, KHCC – 222-3684.)

National Back To Church Sunday is all about helping you bridge that gap in your

church by providing one Sunday a year where all of your members are encouraged to invite friends, family and coworkers to church.

ByGeorge

Since I arrived in April, the need to rebuild the Sunday afternoon youth groups has been heavy on my mind. At first, other Interim tasks demanded my time, summer came, and the youth priority was put on hold. Finally it was a huge relief to kick off our youth programming successfully last Sunday. I am grateful for the youth that came and the several adults who have given their time to make this program a success. It was a good afternoon, but we are just beginning.

I'll be working with our sponsors and youth leadership to plan enjoyable and meaningful meetings and to grow our groups. We are encouraging parents to get involved at home using guides from our curriculum and the Parent Cue app.

As we build up our youth groups over the next months, my goal is to establish a sustainable youth ministry for KHCC by:

- Organizing a team to oversee and support this program, so that it is not dependent on one or two persons. This group will report to the Board through the Education team.
- Developing a common understanding of the goals, purposes, and methodologies of youth ministry.
- Building competency in our leadership cadre through ongoing training.
- Budgeting adequate financial support for the core programs.
- Working to welcome all youth in the congregation - and their friends - seeking such a group.
- Developing leadership skills among our youth and helping them take ownership of the program.

YOUTH FELLOWSHIP

Chi Rho (Middle School)

CYF (High School)

This Sunday we continue our youth programs for middle school (Chi Rho) and high school (CYF.) Both groups will have a regular meeting time from 4:00 – 5:30 p.m. and we will be serving a snack supper about 5:00. No charge, but there is a free will offering box.

Our youth groups will generally meet at the same time, but separately. The format is the tried and true “games, group building and teaching, food, and worship” format. However, our curriculum is new to us this year – it’s called Orange. It’s based on the idea of blending the love of the home (represented by the color red) and the light of the church (represented by the color yellow) and it provides a new perspective in partnering with parents in the spiritual growth of our youth. You can check out Orange at <https://thinkorange.com/>
