Stewardship 2020

Kings Highway Christian Church

Begins
September 29th

Consecration Sunday
October 20th

ByGeorge

After talking to dozens of you face to face, passing out old directories to check for errors, and making numerous phone calls – we have bravely produced a new (tentative) directory so we could find out who we missed or what were the mistakes we made. Apparently, we didn't reach perfection. So if you have corrections, please let the office know in the next couple of weeks and we'll try again.

If you haven't already, please pick up a copy of the "Ethical Guidelines for Congregational Conduct" document and read it over at your leisure. Maybe you will see its content as simply common sense in what we do and good manners in how we do it, but common sense and good manners should be a vital part of all we do as a church and as Christian people. In fact, how else should we act?

A couple of extra events are coming up for our children – Family Fun Night this next Sunday from 4:00 – 5:30 and Skate Night on October 4th from 6:00 – 8:00. Both are in the Family Life Center and both are offering fellowship and friendship building activities. We worship and learn better when we know one another.

YOUTH FELLOWSHIP

Chi Rho (Middle School)

CYF (High School)

This Sunday we continue our youth programs for middle school (Chi Rho) and high school (CYF.) Both groups will have a regular meeting time from 4:00 – 5:30 p.m. and we will be serving a snack supper about 5:00. No charge, but there is a free will offering box.

Our youth groups will generally meet at the same time, but separately. The format is the tried and true “games, group building and teaching, food, and worship” format. However, our curriculum is new to us this year – it’s called Orange. It’s based on the idea of blending the love of the home (represented by the color red) and the light of the church (represented by the color yellow) and it provides a new perspective in partnering with parents in the spiritual growth of our youth. You can check out Orange at <https://thinkorange.com/>
