CYF Annual Chili Cook Off

**Sunday, January 29th
beginning at 6:00 pm.**

Please plan to enter your favorite chili or just plan to come eat and enjoy Christian Fellowship. We will collect donations for the meal to fund CYF service projects.

From the Minister. . . .

At our church board meeting on Monday, David Taggart, the chair of our Church Trustees, made an exciting announcement. David reported that last week the Trustees, on behalf of the congregation, had made an offer to purchase the house next door to the church, and that the offer had been accepted.

The house is located on Kings Highway and is set between our parking lot and our property on the corner of Thornhill Avenue and Kings Highway that we call Casa Esperanza. Its location, between two of our properties, makes it a particularly desirable and valuable property for us. I am grateful to the Trustees for acting quickly on our behalf to secure this property once it came up for sale.

Of course, there are many details to be worked out before the deal is finalized. Acquiring this property will certainly mean increasing the amount of debt the church is carrying. Caring for this new addition to our campus will also mean increased maintenance expenses for the church. There is also the question of what to do with the property once it is in our hands. To what use will we put it?

I have every confidence that with God's help we will be able to meet any new financial needs that come our way. I also have every confidence that our discussions will lead us to see how we are being called to use this new property.

In the coming weeks we will have regular updates in this newsletter as to the progress of this purchase. If you have any questions regarding this matter please feel free to contact me here at the church. I feel that we are blessed to be a part of such an exciting and important time in the life of our church.

Sincerely,

David

KHCC Casa Esperanza

Casa Esperanza Guests

This is a group of moms from Shriners Hospital who enjoyed visiting Casa Esperanza this past weekend. The plan was to cook a special meal for a birthday party.

Milagros Gonzalez turned 9 years old! So they organized a special celebration. They cooked "Arroz Relleno" a Panamanian version of Spanish Paella. They made enough food to share with everyone at the Hospital!

They said they enjoyed the time in the house and loved being able to cook their own food. They walked to Brookshire's grocery store to get the ingredients for the food and to the Mall to buy presents for Milagros. And they were amazed how convenient Casa Esperanza's location was.

Milagros is a very sweet girl, she enjoys attending school and listening to music. "This has been the best birthday celebration I have ever had, I did not miss anything", Milagros said when asked about her party.

May God continue blessing the life of this sweet girl.

A “Note” from the KHCC Music Department - Louise Chamberlain:

This is a story behind some of the hymns we sing in church.

ALL CREATURES OF OUR GOD AND KING

So many stories have arisen around St. Francis of Assisi that it's difficult to separate truth from fiction. We know he was born in 1182 in central Italy, son of a rich merchant. After a scanty education, Francis joined the army and was captured in war. He came to Christ shortly after his release, renounced his wealth, and began traveling about the countryside, preaching the gospel, living simply, seeking to make Christ real to everyone he met.

Francis loved nature, and many stories spotlight his interaction with animals. Once as he hiked through Italy's Spoleto Valley, he came upon a flock of birds. When they didn't fly away, he decided to preach them a little sermon. “My brother and sister birds,” he reportedly said, “you should praise your Creator and always love Him. He gave you feathers for clothes, wings to fly, and all other things you need. It is God who made your home in thin, pure air. Without sowing or reaping you receive God's guidance and protection.” The flock, it is said, then flew off rejoicing.

That perspective is reflected in a hymn Francis composed just before his death in 1225, called “*Cantico di frater sole*”----“*Song of Brother Sun.*” It exhorts all creation to worship God. The sun and moon. All the birds. All the clouds. Wind and fire. All men of tender heart. All creatures of our God and King.

Though written in 1225, an English version didn't appear until 1919, when Rev. William H. Draper decided to use it for a children's worship festival in Leeds, England.

But is it sound theology to exhort birds and billowing clouds to lift their voices in praise? Yes! “All Creatures of Our God and King” simply restates an older hymn—Psalm 148—which says:

Praise Him, sun and moon, Praise Him, all you stars of light... You great sea creatures and all the depths; Fire and hail, snow and clouds; Stormy wing, fulfilling His word, Mountains and all hills; Fruitful trees and all cedars; Beasts and all cattle; Creeping things and flying fowl... Let them praise the name of the Lord. For His name alone is exalted... Praise the Lord!
