# CASA ESPERANZA

## Meet Our Guests

Meet the two families who stayed at Casa Esperanza during January and February. They are Maybelline and her mother María, and Vilmita and her mother Vilma; all of them from Panama. They arrived in the US in December 2012 and a few days later the girls had their surgeries at Shriners Hospital for Children. Then they came to Casa Esperanza while Maybelline and Vilmita were in rehab, getting ready to go back home.

Casa Esperanza was like their second home. Vilmita was particularly excited about living at the house because her mom could cook her favorite Panamanian food like “Ropa Vieja y Arroz con Pollo” (Stew & Paella). Plus she didn’t miss any of her favorite soap operas on Univision (a Hispanic Channel).

Maybelline said what she enjoyed most about Casa Esperanza was the quietness. She was able to read books in English, “I would like to speak fluent English one day” she said smiling.

“Definitely being at Casa Esperanza has been a blessing for all of us, but especially for the girls” Mrs. María said at the end of the interview. “There are no words to say enough thanks. We are returning to our country with you in our prayers and hearts” Mrs. Vilma added.

Ellie Bulnes

P.S. - I truly give thanks to God for these great people who bless us with their thankfulness. May God continue blessing all of you who support this ministry, so that we may continue blessing the little ones our Lord loves so much.
