THANK YOU

“ I would like to express my appreciation to Maury Hicks and the Pathfinders’ class for replacing the finials on the fencing in the children’s playground area. They look great and hopefully will last as long as the ones that were there. Also I would like to thank Joey Flippo for replacing and painting the rotted trim around the windows in the Education building. They have been bad for some time and he replaced the wood trim with a pvc/plastic trim which will never rot. All windows need painting on that building and other areas of the church and we’ll deal with that in time. This is just another example of those individuals that are willing to help when the need is there.”
