THANK YOU

I would like to extend an appreciation to some individuals who have done so much for the church and have made my job easier. First, to Terry and Kenny Rodenroth. Whenever you see the flower beds, trees, sprinkler system or any other grounds work, excluding the work that is done by our contractor, it's a good bet that Terry has done it along with the help of Kenny when needed. I dread the day when he stops doing this. On second thought Kenny could just pick up where he leaves off. Second, I would like to thank Vernon Webster for the painting that he has done and continues to do for our church. The times that I have called needing some work done he has not hesitated to do it and with no complaints. Third, I would like to thank Christy Duggan for her help. If it wasn't for her I would have to be hired as a permanent employee to keep up with everything. She is my buffer and my go to person to make calls if needed and to take care of little things that pop up and need immediate attention. Fourth, I would like to thank Odis Young for calling me every time something goes wrong. I think he's beginning to dread every time he has to call me. All kidding aside he assist me in getting with contractors and supplies that are needed to keep the facility running. Finally, I would like to thank the members of the church, and the board, who have supported me and my committee. In a time when budgets are tight we have done our best to watch every dollar that is spent and will continue to do so.

To all of you, thanks a million and because of you my job is almost a pleasure. LOL!

Stewardship Thought

A church that is alive needs the generous, sacrificial support of those who love it. Only a dead church demands no sacrifice.
