Kings Highway Christian

From the Minister.

If you have attended the 11:11 service this month, you have no doubt noticed a few big changes (No, I'm not talking about my new shirt!). For the last two Sundays we have worshiped without our wonderful praise band. Instead of live music we have sung along to prerecorded songs and videos. A dedicated group of volunteers is choosing the music and videos, and the singers from our praise band are continuing to sing in worship; only now it is without live accompaniment.

I am grateful to this group of volunteers who are making it possible for us to continue having inspirational music during this worship service. I'm particularly grateful to the chair of our Worship Ministry, Bonnie Martin, and the following individuals who are giving generously of their time and talent: Greg Martin, Linda Rocks, Angie Cameron, Katy Hume, and JoDel Adkins. If there is a song or video you would like to recommend for worship, or if you have another suggestion about the service, please let us know.

What's next for our 11:11 service? Over the next couple of months we will strive to grow in our ability to make prerecorded music and video an inspirational part of the service.

The months ahead will also be a chance for us to invite members and guests to provide music for all or part of a Sunday service. This will also be a chance for us to discuss and discern the future of our Contemporary Music Ministry. As for me, I believe that it is crucial that we find a leader for our praise band so that this important ministry can continue. Only time will tell whether this leader will be a volunteer or a paid member of our church staff. Whichever it is, I am certain that our 11:11 service and our Contemporary Music Ministry have a long and bright future ahead.

God bless,

David
