Volume XXXVII Number 14

June 24, 2014

Dear Parents: Get Ready for a peek at the unique!

At Weird Animals VBS, kids discover that Jesus' love is one-of-a-kind. Weird Animals is a habitat filled with incredible Bible-learning experiences kids see, hear, touch, and even taste! Sciency-Fun Gizmos, team-building games, cool Bible songs, and tasty treats are just a few of the standout activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.) Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings. Get ready to hear that phrase a lot!

Your kids will also participate in a hands-on mission project, through a program called Operation Kid-to-Kid, that will let the kids in our community show God's love by providing water for school children in India.

Parents, grandparents, and friends are invited to join us in The Tail End Friends section each day at **7:40 pm**, because that's when we'll be having The Tail End—a daily celebration of Jesus' love you won't want to miss.

So mark these dates on your calendar: **Mon. July 21-Thurs. July 24**. The fun starts at **5:30 pm** and will end at **8:00 pm**. Call this number **318-222-3684** to register your children for this life-changing adventure! Or use VBS P.R.O. to register online!

Sincerely,

Your Weird Animals VBS Director

Stewardship Moment

I would like to thank each and every one of you that has helped me with my obvious collection plate perception for the children.

Donating Time to the Church is a problem to some Members. Who does not have time? Time is defined as indefinite, unlimited duration in which things are considered as happening in the past, present, or future; every moment there has ever been or ever will be; the entire period of existence of the known universe; finite duration, as distinguished from infinity. How often do you hear someone make the statement that they do not have the time? Kind of sounds like a silly statement doesn't it. We have all the time thru infinity. If we choose to not do something for or with someone, we are really telling them that there is a more important need for how I want to spend my time.

Remember, your time is very important to you and your Church, but every moment there has ever been or ever will be is a long time.

God Bless,

Bobby D. Shields
Stewardship Chairman

KHCC News & Notes

Adult VBS Class Looking Back to the Future!

Join us for a historical review of Charles Ravenna's 1988 video guided tour of KHCC and the symbolism of our church building, the origins of our demonization, and the impact KHCC has in our community as well as our own lives yesterday, today, and tomorrow. Historian Joanne Sherrod Sigler will be our guest speaker Monday, July 21st.

"Love" For Hayslips!

We are happy to report that, although we didn't have much time to get the word out, there was a good turnout for the recent "Get Together" for the Hayslip family. Joel and Heidi shared some heart lifting stories of their mission work in Burkina Faso, West Africa, followed by a time for questions and answers.

The "love Offering" given totaled \$1,350. Joel and Heidi were "blown away" by such a loving and caring reception.

Please pray for this precious family as they continue in Christ's service

Youth Department — Sheet Sales — Don't Miss Out!

Due to popular demand, the Youth Department is selling sheet sets again. The money will be used to cover the expenses of Fall Spiritual Retreats. Each set is \$35, no shipping no taxes. Order forms will be available in each Sunday School Class and the Church Office. Payment is due when the order is placed. Thanks for participating.
