## I FROM THE Minister I

In some ways June and July have been a pretty slow time here at the church, but two of our summer ministries involving children and youth have kept us on our toes. First, there were the three different camps for our children and youth in Arkansas, as well as two summer youth trips. These camps and trips were possible because of the many adults who volunteer to act as sponsors and drivers, and I am grateful to each of them for giving our kids the gift of their time and effort.

The other summer ministry that always requires a significant commitment of time, effort and money is our Vacation Bible School. Two weeks ago we were in the middle of a particularly successful and enriching VBS. Over four nights we came together to offer our kids the chance to learn more about God and His creation with fun crafts, games, stories, music and dancing. Once again we are blessed that so many volunteered. Through their efforts our VBS was an exciting and educational experience for our children and I am thankful for their hard work and commitment. And I am also thankful to all who give to the church each Sunday in worship. Our offering makes these important ministries possible.

These months have also been a time for getting a head start on our plans for the future. This summer has been particularly busy in that respect. Church staff and lay leaders have been busy developing a proposal for improvements to our sanctuary. On Monday, July 28<sup>th</sup> the church board met to discuss these plans, which after due consideration they approved unanimously.

In the coming weeks you will be hearing more about these improvements as we appeal to the friends and members of KHCC for one-time donations to fund these plans. When the time comes, I hope that you will consider making a gift to support this effort. In the meantime, enjoy the beautiful summer days ahead.

In Faith,

David
