of **JESUS CHRIST**  
from the dead.

1 Peter 1:3. NRSV

## *From The Minister*

I've been talking a great deal recently about all the hard work the members of Kings Highway Christian Church have done over the last 20 years to adapt our church to a changing world. Our Family Life Center, our Contemporary Worship Service, our Ministry to the Hispanic Community, and Casa Esperanza are just a few of the changes that are keeping us focused **forward** into the future, focused **outward** into our community, and focused **upward** to God. I am proud of all that we have accomplished as a church in the last two decades because when it comes to the church, change is never easy. With God's guidance and help we have accomplished a great deal and so we are now ready for whatever our future may bring.

How strange it is that the renewal and revitalization that requires such hard work for a group to achieve can be so simple for us as individuals to experience. As Christians we are renewed every time we ask for God's forgiveness. Through God's grace and through the

sacrifice of God's Son, we can wake up each morning revitalized and ready for another day. We need never be burdened down with our guilt or other baggage from our past. With God's help, renewal is possible at our work, in our families, and among our friends. Parts of our lives that have become tarnished and dim can be polished and brightened with God's help.

We know these miracles of renewal are possible because we know that Jesus was dead but through God's power he lived and lives again. I can't wait to join with my brothers and sisters in Christ this Easter Sunday to celebrate Christ's resurrection and all of God's miracles of rebirth, renewal and revitalization. I hope to see you then.

In the meantime, make good choices, love everyone, & look forward to tomorrow.

David

# 2015 EASTER OFFERING

## 2 Corinthians 9:7

<sup>7</sup> Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver

It is time for the **Easter Offering (March 29<sup>th</sup> and April 5<sup>th</sup>)** and HALF of the Offering stays here in our local area. I know, there are so many organizations trying to help people in need all over the world for different reasons; food, water, medical assistance, financial assistance, mission outreach. The list is never ending. There are so many just in our area alone that sometimes we become overwhelmed just thinking about which group we should give our money to or which group we should volunteer with. We ask ourselves who needs assistance the most? What can we do to make a difference in someone's life? Who should we help?

**First, Pray and let God be your guide.**...you will always give the right amount at the right time to the right organization. Having said that; let me tell you about a new and still growing place that helps everyone and anyone who is in need, and all from one location.

### **Hope Connection: Levy St. Project led by Hope for the Homeless**

The Vision of HOPE for the Homeless is that no individual or family has to experience homelessness in NWLA. They are a non-profit 501c3 that serves as the HUD mandated homeless Continuum of Care for NWLA. They serve the role of front door for those who are homeless to enter the system of care.

The **Levy St Project** located at 2350 Levy Street, Shreveport, is a truly collaborative project that is streamlining, connecting, and making the maximum economic use of the existing homeless services resources in the S/B area. They renovated three warehouses to meet specification needs and there are over a dozen organizations consolidating their efforts in one location (Hope Connections) to better serve the homeless and our community. Just to mention a few, there are offices for HOPE for the Homeless, Homeless coalition for NWLA, the VOA, the VA, located onsite to manage the collaborative project. They are a "one-stop-shop" now that they have the Levy St Project. Well, almost.....a couple of things are still under construction and our assistance is needed. Their goal is to approach and assist the "chronically homeless" so they no longer fall through the cracks.

The project has 5 primary parts designed to triage and prioritize the immediate needs of clients:

**Coordinated Access Point**, The goal of all parts of the project will be to provide the services needed to quickly obtain and maintain the most appropriate type of services and permanent housing for every homeless person in our community.

**Drop-In Center (Day Shelter)**, which provides shower facilities, laundry facilities, telephones, computers, and mail receipt service. It also serves as a refuge and resting place for those who have nowhere to go. The Drop-In Center is run by certified Peer Support Specialists that steer clients towards services that will help them obtain and maintain permanent housing. This **program is privately funded by churches of various denominations in the community** who sponsor an area of the Center and generously provide supplies, and bring "Brown Bag Dinners" for clients every week-day. They depend heavily on donations from the community to support the needs of its clients. Volunteers are welcome and needed for many things in the Day Shelter.

**Street Outreach Team** provides services in the field to those homeless persons who are living on the streets, abandoned buildings, or emergency shelters. The Outreach Team consists of a substance abuse professional, a mental health professional, formerly homeless individuals, and volunteers from local agencies who serve the homeless. They try to build relationships the homeless by offering them food, blankets, or other essentials. After they gain the trust of the client, they then try to engage those with mental illness into case management services to link the client to healthcare, substance abuse treatment, mental health treatment, and/or transportation with the ultimate goal of the client obtaining and remaining in housing.

**Low Restriction Shelter** has a campaign currently under way to raise funding for the new addition. This is where our Outreach Committee would like to use the Easter Offering this year. It will have 25 veteran beds downstairs and 35 civilian beds upstairs. They do not have as many restrictions as the Salvation Army and Rescue Mission do. They are also working on separate areas for the women as well as other very needed services. The YWCA will be restarting soon and will be located there also. Volunteers will be welcome in these areas too.

**Hospitality House Soup Kitchen** will be operated by Christian Services. Their building is still under construction and will hopefully be open in a few months. Volunteers definitely welcome.
