STEWARSHIP MOMENT

Are You Robbing God?

Malachi 3: 8-10

"Will a man rob God? yet you rob me."
"But you ask, 'How do we rob You?'" "In tithes and offerings. You are under a curse -the whole nation of you-because you are robbing me. Bring the whole tithe into the storehouse, that there may be food in my house. Trust me in this," says the Lord Almighty, "and see if I will not throw open the floodgates of Heaven and pour out so much blessing that you will not have room enough for it."

We have many ways to make our lives productive for the Lord; tithes, time, and talents.

Let's not rob God!

An Update on the House Next Door

The trustees here at KHCC (Robert Dickinson, Caroline Brewer, Clint Snell, Jerry Spearman, & Dennis Wissing) have spent a great deal of time in prayer and discussion as they have worked to decide what to do with the house we own on Kings Highway, next to the church's parking lot. We are currently using the house for storage, which isn't a good long-term use for the property since it significantly increases our insurance payments.

The trustees spent many months investigating the possibility of remodeling the house so that it could be rented out as office space. They also considered renting the house as a residence. The option of selling the house and having it moved from the property was also investigated. All of these options proved too costly.

Recently the decision was made to have the house demolished and have the property turned into a green space. The trustees are currently getting bids from companies who specialize in demolition and hope to sign a contract soon. The demolition of the house will proceed shortly after the contract is signed. If you have any questions about these plans please contact the church office.
