

Kings Highway Christian

Volume XXXVIII Number 22

November 10, 2015

|| FROM THE Minister ||

I would like to express my gratitude to all those who participated in this year's Stewardship Campaign. By thinking and praying about your giving for the coming year and filling out an estimate of giving card, you have given us valuable information that will help us to plan and budget for 2016.

There are a number of positive results we can celebrate. We received \$13,480 in new estimates from 8 individuals and families. We have also received 26 estimates of giving that increased from last year by a total of \$29,706. I am deeply grateful to all of these folks who filled out an estimate of giving card for the first time and who increased in their giving, but again I'm also grateful to all of those who participated by turning in their estimate of giving card. This includes the 35 individuals and families who estimate that their giving will stay the same in 2016.

Unfortunately the news is not all positive. Despite these successes, we currently project that our total giving will decline significantly in 2016. In the coming weeks we will be working on a budget for 2016 that will reflect this new reality. Please keep the members of our church's executive committee, finance committee, trustees and staff in your prayers as we work to discern God's will for our church and its ministries.

Sincerely,

David

Important Kidz Rock update: The children are doing a great job preparing their Christmas song for the December 6th program. They will meet the next two Sundays at 3:30 and then should not need another practice until the day of the program.
