Preserving our past while looking into the future.

Our Heritage: A Three-Year Capital Campaign Preserving our past while looking into the future.

Our three-year capital campaign is in the final week. Again, the purpose of the campaign is to help pay down the debt owed by the church on the Family Life Center, the elevator in the education building, the handicapped walkway and the addition of property. We are very thankful for the pledges that have already been received and are hopeful to continue to receive commitments in order to meet our goal of monthly pledges totaling \$7000. Our facilities have meant a great deal to our church family as well as the community. Continuing our commitment to foster Christian love and service to others is what we hope to accomplish through our congregation. Please help us to preserve our past and look to the future by prayerfully considering your pledge.

Dr. Sharon E. Watkins, General Minister and President of the Christian Church (Disciples of Christ) of the United States and Canada** will receive the award on behalf of the churches.

For 125 years, the Christian Church (Disciples of Christ) has embraced Juliette Fowler Communities providing care, support and love for children and aged adults. Fowler's care ministries help children and older adults realize the maximum of their potential as human beings created in the image of God. The support of Disciples throughout the Southwest and Great River Regions has ensured that those we serve experience a fullness of life as God intends.

Thank you for sharing the deeply sympathetic nature of Juliette Fowler and for being as she was - a sharer of the joys and griefs of others.
