

This Week @ KHCC

Blood Drive

One in three people will need blood at some time in their life. When someone in the communities we serve needs blood, it is our responsibility to have it safe and readily available. The only way we can do that is through your donations.

With no substitute for human blood, volunteer blood donations saves lives right here in our community every day. If you can give blood, please do. If you can't, please encourage and support others who can and help spread the word. Donating blood only takes a short amount of time a few times a year, or when you are eligible.
