

This Week @ KHCC

BLOOD DRIVE - APRIL 15

9:00AM - 12:15PM - FELLOWSHIP HALL

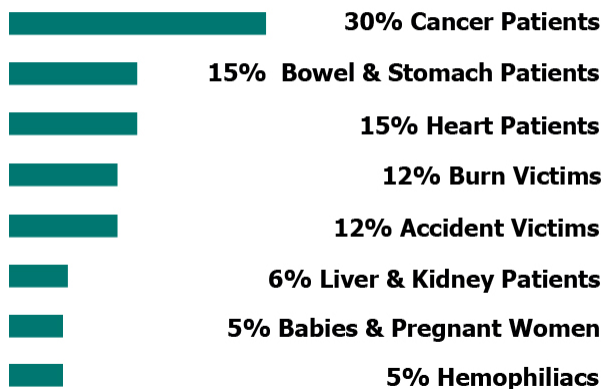

WHY GIVE BLOOD?

Because Jesus said, "Love the Lord your God... and Love your neighbor as yourself." (Mark 12:31)

Every two seconds, someone somewhere needs blood. One of every seven people who enter the hospital will need blood. That person may be you, your loved one, friend or co-worker. With all the wonderful advances in modern medicine, **there still is NO substitute for human blood**. The blood that helps patients comes only from caring people who volunteer to help others by donating their life-saving blood.

WHO NEEDS BLOOD?

Patients Who Receive Blood

WHO CAN GIVE?

Anyone at least 16 years of age, weighing at least 110 pounds and is in good health can donate blood.

Sixteen-year-olds must submit a **permission form** signed by a parent or guardian.

Some people may be temporarily or permanently prevented from donating blood due to certain health conditions. If you have a question about your eligibility to donate blood, contact your **local LifeShare office**.

HOW TO GIVE BLOOD

Your voluntary blood donation helps meet the needs of patients in local medical facilities.

When you register, LifeShare staff will recommend a donation procedure that is best suited to your blood type and current patient needs.

You may be asked to donate different blood components each time you give.

During your donation, you will be attended by trained specialists.
