July – half of 2019 passed. July – change of routines, summer vacations, a slowing of programs, choir off. July is here and I'm peeking around the corner of what's coming for the next months: a parent child dedication, a fellowship dinner and program, consultation and meeting with congregational leaders about the Epiphany Project, restarting CYF and figuring out appropriate fellowship activities for younger youth, the fall stewardship program. The Search Committee continues to meet and I continue in my role as interim helping to keep other processes moving forward.

Groups and staff have been working on some new possibilities for our congregation including:

- establishing the option of online giving for KHCC
- creating a suitable system to receive and administer permanent gifts and other planned giving to the church
- developing procedures to be able to effectively deal with security issues as well as emergencies.

All of these efforts take a bit of time, but we are moving forward and will have further information as these tasks are completed and approved.

**Esperanza Ministry Garage Sale
July 13th & July 20th**

Esperanza Ministry thanks you for all the donations we have received!

We will have our Garage Sale two Saturdays in a row in July in the Family Life Center. We have lots of good things for sale and hope to raise a good amount to bless our dear families at the Shriners Hospital.

Unfortunately at this time we have no room to store any more garage sale donations. If you have items to donate please hold off bringing them until after the sale. We will have room to start storage again in August. If possible hold your donations until then.

Thank you for your kindness and understanding,

With love and thankfulness,

Ellie Bulnes
