New Year.
New Students.
New Curriculum.
New Adventures.

This Sunday is the kick-off for our youth programs for middle school (Chi Rho) and high school (CYF.) Both groups will have a regular meeting time from 4:00 – 5:30 p.m. and we will be serving a snack supper about 5:00. No charge, but there is a free will offering box.

Our youth groups will generally meet at the same time, but separately. The format is the tried and true "games, group building and teaching, food, and worship" format. However, our curriculum is new to us this year – it's called Orange. It's based on the idea of blending the love of the home (represented by the color red) and the light of the church (represented by the color yellow) and it provides a new perspective in partnering with parents in the spiritual growth of our youth. You can check out Orange at <https://thinkorange.com/>

Since we have newer electronic options to communicate, we will be exploring what works to keep parents and our youth informed of program and events.

Esperanza Ministry

Our church's house at the corner of Kings Highway and Thorhill served as Casa Esperanza from 2006 to 2018. This was a ministry that provided housing for children and their parents who were treated at Shriners Hospital for Children and were from out of state or the country. Sadly by the end of 2018, due to a financial cut, Shriners Hospital for Children informed us that they wouldn't be receiving as many overseas patients as before and therefore they could house the few patients and families at the Hospital building. This led to us sadly closing this wonderful ministry.

Nevertheless, the overseas families staying at Shriners Hospital still need our assistance, support, and help. Therefore our Casa Esperanza ministry changed its purpose and name to ESPERANZA MINISTRY. A ministry to assist little patients in the Shriners Hospital; which means we do not offer the house any more, but we continue helping the children and their families with their needs.

No budget was given to Esperanza Ministry this year, 2019. Consequently, we had to build our budget. We held a Garage Sale this summer and in the Fall we are going to have our "Día de Los Muertos" fellowship dinner. Collections from this activity will benefit our Esperanza Ministry.

We still need your help, donations and love.

Casa Esperanza

What is going on at the house that used to function as Casa Esperanza?

It is being used for a good cause. Jose Zambrano is a Venezuelan man who resides in Miami, Florida and works as a mechanic. He and his wife Katy have 3 wonderful boys. He came to Shreveport for work and unfortunately had a work accident. While he was working under a big truck, it fell on him, consequently his right leg was amputated and doctors are fighting to save his left leg. He has a long recovery process ahead of him that includes rehab, prosthesis and a couple more surgeries. Our KHCC has the blessing of offering this home to Jose and his wife Katy during his recovery time.

And we want each one of our church's members and friends to feel a part of this wonderful deed we are doing to bless the Zambranos.

Thank you so much again for your interest, love and support to bless the needy.

Epiphany Project Retreat September 14-15

The next step in KHCC's focus toward a renewed vision will be a retreat experience Saturday, September 14th and Sunday, September 15th. We invite congregational leaders (formal or informal), young potential leaders, and those interested in the future of the church to be present. Through the guidance of our guest facilitator, we will be working to rethink KHCC's vision and mission and re-orient our leadership styles from "managing a church" to "transforming our community."

This event will be held in our fellowship hall. Saturday's schedule runs from 8:30 a.m. to 4:00 p.m. and Sunday's from 12:30 to 3:00 p.m. This is a big block of the weekend, but we have important

work to do and need to give this process the time and energy needed to let God help us revision our mission as a congregation.

Lunch will be provided on Saturday. If you are interested in attending this retreat and have not talked with Clint Snell or George Latimer about participating, please contact one of them or the church office by Sept. 8th. (Clint – 207-0752, Geo – 417-848-6776, KHCC – 222-3684.)

Online Giving Option

If you are interested in giving electronically, go to our website [Kings Highway Christian Church](#) and click on "online giving" in the upper right hand corner. Another page will pop up and will take you through the steps to set this up. You will need to provide bank routing and account number and a password – the password must be at least 8 characters and contain 3 of these elements: upper case letter, lower case letter, a number, a symbol. (That sounds complicated, but you should only have to do it once.)

GIVING MADE SIMPLE.
GIVE ONLINE.

Kings Highway Christian seeks to be a faithful church, building disciples of Jesus and serving our community. These things are only possible because of your generous acts of giving. Thank you.

GIVE ONLINE

You can give using our online giving form hosted by Abundant. Give once or on a recurring schedule.

[OPEN OUR GIVING FORM](#)

Once you set up your account, you may choose to give automatically (the amount and frequency can be easily changed) or as a onetime gift. You may also use your phone to *give by text* (instructions are on the website and in the worship bulletins). If you give electronically and would like to continue to place something in the offering tray, there are “I gave online” cards available in the pews.
