

THIS WEEK @KHCC

ByGeorge

Glad to report 11 of our youth will be attending the Regional Youth gathering this weekend on Lake Catherine near Hot Springs. Most of them are first timers in our Regional camping program, and we are delighted they are taking this step to get involved.

Also, it's just great to see the youth returning to our Sunday afternoon fellowship time – and several of them are bringing friends. Renee Eakin and Jill Latimer are CYF sponsors and Ellie and I are sponsoring Chi Rho with Laura Savage, Madeline Holder, and Bill Shaw as subs. Chris and Richard Thompson and Tami Fontenot are providing the snack supper.

On another subject, most of our worship visitors on Sunday mornings are attending the Contemporary service. For example, last week we had 2 out of town visitors at Traditional and 10 regular visitors at Contemporary. This trend needs to be considered as we move forward in planning for growth.

Thanksgiving Special Offering November 17 & 24

The Thanksgiving Offering benefits the Colleges, Universities, Seminaries, and Divinity Houses affiliated with the Christian Church (Disciples of Christ). Higher education has been an important focus for Disciples since the very beginning of the movement. Throughout our history, Disciples have founded institutions of higher learning to educate students and form leaders to make a difference in the world. The Christian Church (Disciples of Christ) is still committed to higher education. Your gift to the Thanksgiving Offering helps support the education of thousands of students at our fifteen colleges and universities as well as our seven seminaries and divinity houses.

One half of our Thanksgiving offering will be given to Hope Connections. Hope Connections maintains a Drop-In Center that connects homeless clients as quickly as possible to the services that will lead them to obtain and maintain their various needs. The agency operates a Day Shelter on Levy Street which provides showers, laundry, mail service and a variety of training classes for guiding people experiencing homelessness.

Property Update

A large crew from Patriot Roofing have replaced the asphalt shingles on the Family Life Center, breezeway, and Education Building. This involved a total tear-off and replacement with architectural-grade shingles, and was funded by settlement of an insurance claim. We were pleased that the crew was able to accomplish this work in only three days.

Negotiations continue among insurance adjusters, engineers, and appraisers concerning reaching an agreed settlement for payment of storm damage to the sanctuary roof that occurred in 2015. Substantial work to resolve this claim has been done in the last month, and we are hoping this can be finalized in the near future.
